

## **The Bressingham & Fersfield Gardeners' Question Time**

**Thursday July 4<sup>th</sup> 2019, Bressingham Village Hall, 7pm for 7.30**

**Adrian Bloom as Chairman and a panel of experts  
will try to answer your questions on plants and gardens.**

*The relaxed atmosphere of 2016 event "Gardener's Question Time — With a Difference" proved very popular, and you don't need to be an expert gardener to come along!*

Panel members include: **Annie Dellbridge**, Head Gardener at the enchanting Fullers Mill Garden, West Stow; **Chris Grey-Wilson**, botanist, plant hunter, editor and author; **Guy Barker**, a Norfolk-based plantsman with an horticultural degree from Writtle College, experienced in maintaining private gardens, and lectures on the creative use of plants.

***Adrian** has of course been part of the Bloom family business for over 50 years as nurseryman, creating the Foggy Bottom garden and others in the UK and abroad. As keen a gardener as ever, he and his son Jason continue to develop the heritage left by Alan Bloom.*

The panel will introduce themselves, audience questions will be answered and following a short interval, each of the panel will recommend (with images) 3 of their favourite and recommended plants for containers that will look good over the next few months. A list of these will be available for the audience to take away at the end of the evening.

**Doors and the bar open at 7pm.** Pimms will be available to purchase and there will be a **SPLENDID raffle** of a variety of gardening goodies! Raffle tickets sold on the night.

*Profits for this informative and enjoyable evening will be shared between Bressingham and Fersfield Churches, Bressingham Village Hall and a charity of the panel's choosing.*
